

NEWS RELEASE

The Board of Trustees is pleased to announce the following appointment effective September 15th, 2016:

BRETT SANDER
Manager of Information Technology

Brett brings valuable experience in the IT industry from his leadership roles with Lakeshore School Division. As Director of Technology and Information Systems, Brett is a proven leader in educational technology operations offering expertise in developing IT systems to support business work processes. Brett has acted as a liaison with teachers to support technology integration into regular classroom instruction.

Brett is a cooperative team player with strong communication and organizational skills. He is passionate about building strong relationships while promoting a respectful and caring work environment.

As a member of the Executive Committee of the Manitoba Association of Education Technology Leaders (MAETL), Brett has been a strong advocate for the integration of technology as a tool for quality teaching.

The Board congratulates Brett on his appointment and wishes him success in this challenging new role in Lord Selkirk School Division.
