

NEWS RELEASE

The Board of Trustees is pleased to announce the appointment of

PATRICIA GOOSEN
as Lead Teacher
specializing in Mathematics & Science

Trish has been a teacher in Lord Selkirk School Division since 1996, most recently in Grade 3 at Robert Smith School. Trish has also taught at Centennial School and Netley School. In 2008-2009, Trish was the recipient of the Minister's Award for Excellence in Teaching for the Early Years.

Trish has an extensive background in Math at the local and provincial levels. She has demonstrated leadership as a member of the Manitoba Education Mathematics Curriculum Framework Development Committee, LSSD Early Years Numeracy Committee, and as a professional development facilitator in Math, Writing and Science. Trish is currently enrolled in the Post-Baccalaureate Diploma program in Education at the University of Manitoba.

Trish lives in East Selkirk with her husband Andrew and children, Carter and Victoria.

The Board congratulates Trish on her appointment and wishes her success in this challenging new phase of her educational career.
