

NEWS RELEASE

The Board of Trustees is pleased to announce
the following appointment
effective September 5th, 2017:

DEBBY GRANT **as Director of Student Services**

Debby is currently a Learning Support Teacher at East Selkirk Middle School with 13 years of experience in the education system. Debby brings compassion, empathy, and a desire to strive for excellence for all students to her new role.

Debby's post-secondary background includes a Bachelor of Arts from Brandon University, and a Bachelor of Education and Post Baccalaureate Diploma in Education in Special Education from the University of Manitoba. She will complete her Masters of Education in Inclusive Special Education from the University of Manitoba in October 2017, with a focus on "Closing the Gap on Inclusive Education using Assistive Technology".

Debby has designed, planned, and implemented numerous school-wide and inter-school workshops and professional development activities. She has created a number of units using the Universal Design for Learning (UDL) framework and has delivered them in a co-teaching setting.

Debby has shown leadership in Lord Selkirk School Division through the development of a divisional Special Olympics program. She has also been active as a community volunteer.

The Board congratulates Debby on her appointment and wishes her success in this exciting new phase of her educational career.
