To: Parents of Students in Grades 9 through 12

As you may be aware, the Ministers of Education, Citizenship and Youth and of Healthy Living for the Province of Manitoba have made available for students "The Little Black Book". This small, spiral bound agenda book contains a calendar and space for students to record important addresses and phone numbers. The Little Black Book also contains illustrations and facts about nutrition, drug/alcohol and tobacco abuse, personal safety and human sexuality. All of the information found in the Little Black Book is contained in the Manitoba Health Curriculum. If parents wish to preview this Little Black Book, you can find it online at the Manitoba Healthy Living Resource Clearinghouse at <http://www.mhlrc.ca>.

The Board of Trustees, after reviewing the contents of this student resource, has decided to make it available to students in Grades 9 to 12, upon request, in the Guidance Offices of our Junior and Senior High Schools.

Should you not want your student to receive the Little Black Book, please complete the form below and return it to the Principal prior to March 15, 2007.

Yours sincerely,

Jean Oliver
