

St. Andrews School – Grade 1

After a successful implementation over the last few of years, we are asking parents for a fee to cover school supplies for their child in Grade 1. This way the teachers are able to purchase exactly what they need. Proper notebooks, similar labeled supplies and classrooms ready to go on the first day of school will be positive outcomes of this endeavour.

Each student will be required to contribute to cover the cost of the items they will be using throughout the year which will include a student planner. Lost planners will be the student responsibility to replace at a cost of \$8.00 each. The classroom teachers will be purchasing supplies for each student.
