

Kindergarten Supply List for William S Patterson School

(I am not requesting a school fee this year. See the family request at the end.)

**NEW! We have a tea centre this year.
Please send two tea bags of your choice.**

YES Play-dough. **1 whole set please. Try to find a white.** Big containers, not the mini as they dry up too quickly. We start the year off with this to strengthen finger muscles with it. I save half of them and then put them out again in January.

2 boxes of facial tissue . Provide Recycled if you can. Some of the boxes are for our speech, library and resource programs. Kindergarten benefits from these support programs.

2 small scribblers. Buy the **recycled Hilroy** ones that have **half of the page for a drawing** and half with **WIDE** lines.

2 rolls of blue painters tape for sticking stuff to our cubbies.

1 set of labeled Velcro indoor running shoes. Velcro is best for outdoor shoes too.

1 complete set of clothing that will fit your child any time of the year. **Sweats** are best as they will fit the waist as your child grows. Underwear and socks are important. ‘Accidents’ happen throughout the year. Many students clean off the slide and need a pair of pants and underwear while the others dry on our air vents. Put it all in a **labeled** bag.

1 backpack. Please print the child’s first name and **K** on the **OUTSIDE of the front** of backpack. If you do not put the name on, I will along with the bus number. Older students should be able to read the name easily if your child leaves it on the playground during bus recess.

NEW! Party food will be requested and every family will get a chance to contribute via an email request.

New! A special request of your family:

Please provide (24 ish) of Thin/Thick colorful markers for the support programs such as, speech, library, literacy and music. We will not use them in Kindergarten but in the out of room kindergarten support programs.

Thank you for your patience and understanding concerning this list. This is so exciting!
