

This document addresses frequently asked questions about Blanket Student Accident Insurance claims.

MEDICAL INJURY CLAIMS

- The Blanket Student Accident Insurance Standard Claim Form must be completed in full in order to process your claim. Please be sure to include the **Attending Physician's Statement** section which must be completed by the attending physician (MD) who first saw the insured within 30 days of the injury. Chiropractors, Physiotherapists, Registered Nurses, or any other service providers are **not eligible** to complete the form.
- In the event that the insured was initially seen in a hospital, a copy of the Hospital Admission or Emergency Room Report may be submitted instead of the Attending Physician's Statement. If you are claiming for the expense of an ambulance only, we **do not** require the attending Physician's Statement (nor the Hospital Admissions Report). Submit the original Ambulance invoice together with the top parts of the Student Accident claim form.
- If your policy provides **Physiotherapy coverage**, claims for these items must be accompanied by the original receipts and the written referral from the attending physician recommending physiotherapy treatment.
- If your policy provides coverage for **Brace expenses**, claims for these items must be accompanied by the original receipts and the written referral from the attending physician indicating that the brace is required for therapeutic or curative purposes only.

DENTAL INJURY CLAIMS

- The Blanket Student Accident Insurance Standard Claim Form must be completed in full in order to process your claim. If claiming for dental injury, please be sure that both the **Part 1 & Part 2 Dentist** sections on Page 2 of the claim form are completed by the attending dentist who saw the insured within 60 days of the injury.
- If you have more than one insurance carrier, please note that we require a detailed Explanation of Benefits from your primary carrier along with the completed claim form including the specific dental procedure and tooth codes.
